

The Clean Energy Group
Clean Air Policy Initiative

December 16, 2008

On behalf of the undersigned companies, I am pleased to extend our congratulations to the newly appointed members of President-elect Obama's energy and environmental team. The President-elect has selected a highly qualified team to pursue its energy and environmental priorities, which include addressing climate change, promoting alternative energy, and creating new green jobs. We look forward to working with President-elect Obama and this group of highly qualified individuals as they work to address the energy and environmental challenges of our country.
